

Class of 2023

SCHOLARSHIPS & ACADEMIC AWARDS

Financial assistance is a necessity for many students, particularly those planning careers that require many years of education beyond the undergraduate level. Scholarships have unique benefits and are the most desirable form of financial aid. Many are merit-based or awarded as recognition for certain achievements. CMSD is proud to recognize the hard work of our scholars, families, school and community members in securing almost 8 million dollars for the class of 2023.
